

Changes to your bin collections this Easter

From 10-14 April your grey and brown bins need to go out on the day you normally put them out, so please carry on as normal. On 14 April any bins we don't get to will be picked up by the end of Saturday 15 April at the latest.

 Bank Holiday

 Both bins emptied by the end of 15 April
- normal collection thereafter

 Brown bins emptied the day after your normal collection date

From 17-21 April your grey bin needs to go out on the day it normally does and we'll collect it as usual. There will be a change to your recycling collection though - please put your brown bin out the day after your usual collection day during this week, so if you usually put your recycling bin out on Monday, please put it out on Tuesday.

These changes are just for the Easter period due to the bank holidays - please bear with us while we get round to everyone.
